Dear Pentair Customer,

Thank you for being a valued customer of Pentair. We appreciate your business and continue to work hard to deliver great products to you and your customers.

Pentair recently released the IntelliFlo3™ and IntelliPro3™ family of Variable Speed and Flow (VSF) Pool Pumps. This next generation of pool pumps builds on the industry-leading features of the previous generations and now includes additional value-add features, such as:

- Connectivity
- Remote monitoring
- Increased energy efficiency
- Additional application possibilities

With this transition to the IntelliFlo3 and IntelliPro3, Pentair will no longer be accepting new orders for previous generations of IntelliFlo® and IntelliPro® VS and VSF products starting October 3, 2022.
