Capital Valley IPSSA Continues Swim and Safety Program

CVIPSSA will again partner with the [Sunrise Recreation and Park District](#) to expand the District's swim and safety programs. The program's objective is to make swimming lessons and water safety education accessible to immigrant and low income children in the local community. CVIPSSA's grant will benefit approximately 25 children and their families who would not otherwise have the means to take swimming lessons.

The Swim and Safety Program will be the beneficiary of the raffle proceeds earned at the Sacramento Regional Table Top, as well as a matching grant from IPSSA corporate.

CVIPSSA is excited about this partnership and bringing a successful outreach program to promote the drowning prevention mission that all of us embrace as aquatics professionals.
