**OCTOBER 2022**

## Featured Speaker for October...

### California Highway Patrol

Officer Mike Whittle, Commercial Industry Education Program Coordinator, will be our speaker.

This is one speaker you do not want to miss. Some of the topics you can anticipate:

- Hazardous materials transportation requirements
- Insurance requirements
- Size and weight requirements and issues
- Rules of the road and driver safety tips

## November Chapter Meeting

There is no chapter meeting in November. Most, if not all, of the chapter leadership will be attending the Pentair training in Reno.

Since there is no November meeting, members will need to attend the October meeting or the Christmas party to avoid the membership fine.

## Sick Route

We have no one out  
Thank you for your support

Kim Carr  
Sick Route Chairwoman  
916-889-6529  
[Kimberlynn1221@gmail.com](mailto:Kimberlynn1221@gmail.com)

The sick route policy is at [www.cvipssa.com/sickroute.html](http://www.cvipssa.com/sickroute.html)

## Sick Route Boundaries

We are re-evaluating the sick route boundaries and are looking to reduce the coverage area. We welcome member input at our monthly chapter and board meetings.

## Sick Route Chairperson Needed

Our current chairwoman, Kim, will be stepping down in the near future. We need someone who will step-up and take on this very important role.

If you have ever used Sick Route benefits, then you understand the value, and now is the time to help others that may need it.

Contact Jason or any board member for details.

## Looking for a Few Good Pools

- ◇ EDH: Serrano, Governor's Park, and Franciscan Village areas, 2-4 pools depending on size, proximity, and service level.

Dear Pentair Customer,

Thank you for being a valued customer of Pentair. We appreciate your business and continue to work hard to deliver great products to you and your customers.

Pentair recently released the IntelliFlo3™ and IntelliPro3™ family of Variable Speed and Flow (VSF) Pool Pumps. This next generation of pool pumps builds on the industry-leading features of the previous generations and now includes additional value-add features, such as:

- Connectivity

With this transition to the IntelliFlo3 and IntelliPro3, Pentair will no longer be accepting new orders for previous generations of IntelliFlo® and IntelliPro® VS and VSF products starting October 3, 2022.

The VS +SVRS pool pumps currently in production will remain available for order.
