## Presidents Message

Have a great August!

Where did the summer go? This season has gone super-fast! Kids will be going back to school this month, yet the pools will still be used, so don't let up on the chemicals or filter cleans. Keep your filter pumps running the correct hours to accomplish at least 1 turn over per day. There are plenty of days, weekend parties, and Labor Day ahead for the pools to get heavy usage!

Keep in mind once we are out of August, we have the Santa Summer Get A Way!! September 15-17 at Sly Park. This is a great event for you to relax with your family, friends, and chapter supporters after a very busy swim season! Mark your calendars now and sign up your registration form!

'Til next time, keep it clear,

Scott Houseman  
President

[scott@leisuretimepool.com](mailto:scott@leisuretimepool.com)

# Looking forward to Santa's Summer Get-Away 2017

**Capital Valley IPSSA  
Presents  
8th Annual Santa's Summer Getaway

Shaleen Stevenson, 5228 Wagon Way, Fair Oaks, CA 95628**

## Education:

### A Message from Monte...

#### I think...I have...a leak?

Determining when your pool has a leak can be tough. Environmental factors do play a role in the water level, and just because your pool's water is lower than normal does not mean it has a leak. Wind, humidity, and sun exposure all impact your rate of evaporation.

#### Keep a lookout for these leak warning signs:

- Your pool, fountain, or spa loses more than 1/4 an inch of water a day
- There are cracks in or around the pool decking
- You need to add water more than once a week
- Grass around the area is soggy
- Your pool deck is sinking or lifting

The bucket test indicates there is a leak

Thanks,  
Monte Routon
