President's Message

The Christmas meeting was great! Larry Hughes really put on a great dinner and entertainment for the whole night. Thanks Larry for all your hard work this year and keeping us in budget. I would also like to thank our chapter members and chapter supporters for all the donations this year. I know its been a tough year for most of us, but the support was great. We donated over 40 bikes and helmets and a truck load of toys. This shows that Capital Valley members care about our community and are

willing to help less fortunate families. I would also like to personally thank Lane Clark Director of Region 2 and Adam Morley Director of Region 4 for donating their unused matching grant money to our Region to help match donations to the Sheriff's Toy Project. Together including Region 1 we gave the Sheriff's Toy Project over \$3500.00 this year on top of all the bikes and toys. It's great to see the support from our members and regions in this tough economy. There are so many families

needing help this year and I'm proud to say that we are helping to supply our community with the help they need. I trust you all had a great Christmas and a Happy New Year! I look forward to the coming year and hopefully 2010 will be a great year!

'Til next time,
"Keep it Clear"
Scott Houseman,
President
