President's Message

Our May Table top was great! Our V. President really stepped up and made it all happen. A big thanks to Larry Hughes and all the volunteers that helped out this year! We also had a great turn out from our chapter supporters this year. Please take some time to look at their products and support them. Chapter Supporters and volunteers are what makes this event a success!

Now, it's time to get to work! The hot weather is coming (sometime soon) and all your pools should be ready. I have noticed that

the realtors and bank owned properties are starting to get their pools up and running. Make sure you have your contracts signed by the bank and not the realtor. There is nothing worse in a bad economy than having a job you spend your money and time on and find you are not being paid. Don't trust the realtor. Make sure you know the bank and who will write the check and when. If escrow closes, the bank and realtor don't care if you get paid. There focus is only to get the property sold. Make sure you are protecting the money

you worked hard for by knowing the bank that pays the bill.

'Til next time, "Keep It Clear"
