President's Message

This month is the official start of the spring and summer swim season, with several events for your customers coming up soon, such as Mothers' and Fathers' days, Graduation day Memorial day, and 4th of July. Customers will be hanging out in their backyards in the full swing of the BBQ season. With the exception of a few rainstorms the weather is now cooperating and allowing us to get pools set up for the summer. Spring Conditioning should be done by the end of this month to get your pools chemically set up for the hotter months. Solar systems and pool and spa heaters are in need of start up after sitting all winter. Pool and spa heaters need to be cleaned out and checked for safe operation. If you're uncomfortable with solar systems, and pool and spa heater start ups, and repairs, several of our chapter members and chapter supporters are more than capable of completing those tasks. Swimming pool water temperatures are warm enough to start adding salt to those salt pools. Don't forget Customers are getting their tax returns and have that money to finally replace some of the parts that have gone so long with out repair or replacement. This is also a good time to show them energy efficient products to help them save money on their energy bills. There is so much that needs to be done this time of year,

get an early start. Suppliers are even available with longer hours that include being open on the weekends. For many pool companies this time of year makes it or breaks it. If you need help please don't hesitate to ask for help, everyone in our chapter has their specialties. Tile Cleaners, Plasterers, Solar Installers, Heater Specialists, Safety fencing & cover Installers, Plumbers, and Electricians, etc. are all at our finger tips. Use your resource manuals, newsletter or ask around the chapter to find the help. Many of the companies in our chapter offer referral pay outs for finding them work.

This month is the Capital Valley IPSSA Annual May Table Top & Family BBQ. May 1st. at the VFW hall at 8990 Kruitof Way, Fair Oaks, Ca 95628. Please don't miss it. This is a great way to get product education and see demonstrations. Not to mention our chapter supporters are so generous, offering great prizes for our raffle, and raising money for our chapter and its charities throughout the year. We will have a bounce house and entertainment. Dinner will be served at 6pm with music, games, prizes, fundraising and fun! **Don't forget the Table Top BBQ counts as a meeting. Please make sure to sign in as soon as you get there!** Everyone is welcome to attend, so please bring the family and anyone who is interested in checking out our organization. If you're interested in being a chapter Supporter please contact Capital Valley IPSSA's new phone number, which is (916) 860-7115. Please add this to your phone. We still need volunteers to help with the event, please call me at 916-879-6923, or email me at Gregg@pollywogpools.com. See you there!

Sign up early for the Summer Camping Trip with Capital Valley IPSSA for a special May Table Top discount. If you're a perspective member signing up to join Capital Valley IPSSA ask for the promotional discount from our membership chair.

Thank you in advance for all the help from our volunteers, and chapter supporters. This could not be possible without all the time and resources donated by our dedicated members, chapter supporters and volunteers. See you all there.

Please make sure to call the IPSSA financial office to update and check that your beneficiary, and contact information is correct. You and your family would not like to potentially lose your benefits or have them go to the wrong place, because you didn't double check. It's just a phone call.

"Keep up the good work"

Sincerely, Gregg Simon
President
