Presidents Message

We did have a better than average April for rain and snow, but we will still fall short this season of enough precipitation to pull us out of this drought. Keep pushing the water conservation idea with your customers. Try some of the many products available to you for your customers, from our suppliers. The guys at the counters of all of our suppliers know what will help and can help you find exactly what you need for every situation. Most suppliers are running specials on water conservation products. Just ask.

Get ready, the hot temperatures are on their way. Over 90° this week. Keep yourself hydrated carry lots of water with you and wear sun protection. Make sure to do the summer maintenance on your trucks. Check out your vehicles fluid levels coolant especially. Make sure all maintenance items are taken care of we have a long hot dry summer ahead. Customer's pools should also be prepared for the heat. Take the time now to get them all dialed in. Keep filters cleaned get old cartridges and grids replaced. Install preventative measures like mineral packs, or start adding algacides in weekly doses in addition to weekly brushing to prevent algae blooms. Have Fun it's been busy and it's not going to slow down, it seems to really be ramping up. Everyone I've talked to has more than they can handle. It's not a bad problem to have. So hang in there.

If you are working hard and need a break; take some time to relax and enjoy yourself and have a fun night of gourmet food, entertainment, and product demonstrations at The Capital Valley IPSSA Pool & Spa Service Professionals Annual May Table Top. This year is surfing themed. It all Starts May 6th, 5pm at the VFW hall at 8990 Kruitof Way, Fair Oaks, Ca 95628. Please don't miss it. This is a great way to get product education and see demonstrations. Not to mention our chapter supporters are so generous, offering great prizes for our raffle, and raising money for our chapter and its charities throughout the year. We will have a bounce house and activities for the children, and entertainment. Santa Summer Getaway is providing a pine wood derby track to race derby cars. So dust off your cars and bring them to the Table Top for bragging rights. This is also to promote the Santa Summer Getaway this summer. Discounts and a raffle for a prize will be offered if you sign up at the Table Top this

year for the Santa Summer Getaway. This year's Table Top Dinner will be served by Hannibal's Catering at 5pm with music, games, prizes, fundraising and fun! Don't forget the Table Top BBQ counts as a meeting. Please make sure to sign in as soon as you get there! Everyone is welcome to attend, so please bring the family and anyone who is interested in checking out our organization and industry.

If you're interested in becoming an IPSSA member or have membership questions please contact our membership phone line, which is (916) 860-7115. Please add this to your phone. If you are a company that would like to participate in being a chapter supporter, and being involved with all that this chapter does please contact our Program Chairman Larry Hughes at (916) 715-4688. We still need volunteers to help with the event, please contact Gregg Simon at 916-879-6923, or email me at Gregg@pollywogpools.com . See you there!

Thank you in advance for all the help from our volunteers, and chapter supporters. This could not be possible without all the time and resources donated by our dedicated members, chapter supporters and volunteers. See you there!

"Keep up the good work"

Sincerely,
Gregg Simon
