Presidents Message

Happy Holidays Everybody. The Holidays and winter are here. The weathers changed from 80s and sunny to 60s and wet. Hopefully this is the winter we say goodbye to the drought and hello to El Nino. Anyway you look at it, any rain is welcome. Our industry is in desperate need of it. Not to mention the more extreme the better for business. I have a feeling this will be a great year for all of us. I can't wait.

I want to thank everyone for all the volunteering and help through out the year for all of our chapters events. Thank you for your participation, hard work and dedication. We have some great volunteers each year for everything, and I personally feel blessed to have such wonderful help. If you have any ideas or would like to volunteer please let me know or come to one of our chapter board meetings. We have a lot of fun doing this and it is so rewarding to give back. Check it out.

The **Sick Route Summary cards** are going out in the mail this month and are **due in January**. Please turn them in ASAP; fines will go out after January's deadline.

Next month **Friday, December 4th** is our annual Christmas party which will involve fundraising for The Sheriff's Toy Project. Please feel free to bring donations to the chapter meeting as well as the Chapter Christmas Party. Remember cash, check, unwrapped toys, and bikes with helmets are all great to bring for donations. Make checks payable to Capital Valley IPSSA. We are receiving grant money from Region one, and Brian Duncan our Region one director is working on possibly getting other Regions to help donate to the Sacramento Sherriff's Toy Project. It's not a bad idea to ask your customers for help with this charity too. Let's make our fundraising for this years Sherriff's Toy Project better than ever. The Chapter Christmas Party will be held at the Carmichael Elk's Lodge, Invitations will be coming soon by mail and email. Watch for your invitation, and please RSVP right away.

Thank you, Chuck Stetler from Waterways for the great presentation at last month's meeting. It was very informative. We are looking forward to seeing you at the Christmas Party next month.

This month we have Advanced Coatings giving a presentation. We also have nominations/elections for new chapter leadership. Monte Routon from American Leak Detection will be providing pizza at this month's meeting and we would like to thank him ahead of time for that. Thanks Monte you're Awesome! We really appreciate it.

Daylight savings time is here the days are shorter colder and wetter it is time to switch gears and button everything up for the change in weather. Pool sweep bags, sweep repairs, filter cleanings, and basket replacements should be at the top of your to do list. Make sure to set winter run times for all your customers' pool equipment. Batteries in your control systems like Jandy RS panels and remote controls should be changed out, as well as the batteries in your smoke detectors and carbon monoxide alarms should be changed too. Please don't forget about your vehicle maintenance, tires, brakes, wiper blades, coolant, battery, and other repairs, for your safety and others.

November and December are very busy months for our Chapter Board and the Members. We all get very wrapped up in the holiday season. There is a lot to look forward to, and much more to be Thankful for. Enjoy the season, your families, the extra time, and the great food; this is our time to recharge before next year.

Happy Holidays, Drive Careful and Please Don't Drink and Drive.

"Keep up the good work"

Sincerely,

Gregg Simon

Thank You!

Waterways and Chuck for last months dinner and presentation.

Thank You Volunteers!!

Positions held in Capital Valley IPSSA are volunteer!!

It takes a lot of people to put on the events you enjoy and the meetings you attend, and the organization to keep it all going. There is much unseen work that goes into making this chapter what it is. Please take a moment the next time you run into a volunteer to thank them for helping create a better world for Pool Professionals!!
