OCTOBER 2016

Presidents Message

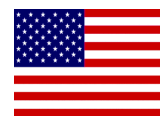

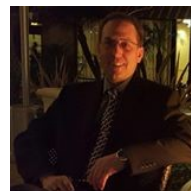

Have a great October!

I would like to thank all of our chapter supporters and members who participated in the Santa Summer Get-A-Way! We had a great weekend camping, campfires, hiking, crafts, pinewood derby car races, boating, and excellent food all weekend long! If you missed out this year make sure to attend next year's event on the same weekend in September! Check out all the photos on our website!

October is a great month to start planning your educational classes! There will be lots of classes from the manufacturers coming up throughout the winter and spring. The PIE show is now over, but there is the Western Show coming up along with Pentair, Hayward, Jandy, and others you can attend. Don't miss the opportunity to further your education! Most of the suppliers have the dates on classes or you can go online with the manufacturers websites to find the times, places, and dates of their classes. There are also lots of classes online you can take at your leisure from home to keep you up to date on education! There is always something to learn even if you have had the class in the past. Keep in mind that IPSSA has a scholarship fund available for you to apply for to help cover the cost! You can even apply for other classes such as business courses to help you learn accounting and billing skills. So there really is no reason not to invest in your education!

'Til next time, keep it clear.
