President's Message

School is back in session. Keep an eye out and drive careful in school zones, and residential neighborhoods. Children walking to and from school are even more distracted these days with cell phones and MP3 players. We all need to be super cautious.

Just because the kids are back in school doesn't mean the swim season is over. The weather may stay hot through mid to late October. As the night time temperatures start to drop customers will switch gears and start using their spas again. Check your spas for safe drain covers, and that all the customer's equipment for the spa is working properly. Auxiliary pumps for spas need to be checked for shaft seal and gasket leaks. Check for proper grounding and electrical safety equipment such as GFCI receptacles, and breakers.

Summer is not over for Capital Valley IPSSA, we have our camping trip this coming weekend September 14th, 15th, & 16th. Don't miss all the fun this has become the premier event for our chapter each year. I personally am really looking forward to

being a part of the festivities this year. Please show your support and attend this event. You can come for the day on Friday or Saturday, or stay and camp Friday through Sunday. Please contact Shaleen Stevenson at Hot Water Works to make arrangements. Please see the application and contact info for the camping trip in this newsletter. We will have several of our chapter supporters there, and more to do than we can do in a weekend. A great time is waiting for you and your family. I really hope to see you there.

Hayward and John Adams Handy will be our featured guest this month for our chapter meeting. This will be an educational night that will improve your knowledge of pool equipment. Please don't miss a thing you know John is a great speaker and usually comes with something great to give away. We have a bucket of tabs to auction off too.

Monte Routon from American Leak Detection will be serving pizza. Thank you in advance Monte. We appreciate the pizza every time.

Finish the summer strong, and make it a point to

communicate with your customers about things that may still need to be replaced after the summer is over, to prepare for the fall leaf and debris loads.

HAVE FUN, GO CAMPING!!!

"Keep up the good work"
Sincerely, Gregg Simon
Capital Valley I.P.S.S.A.
President

PIE Show

The P.I. E. Show (Pool Industry Expo) is coming up on September 27-29 in Monterey. The show offers 200 hours of educational training and exhibits from the top manufacturers, suppliers, and pool service experts in California. American Leak Detection will have our booth on the show floor with promotional giveaways and prizes. I will be manning the booth this year on the 29th, please stop by with any questions or just to say hi. Hope to see you there.

Show info: www.poolindustryexpo.com.
