CAPITAL VALLEY IPSSA CHAPTER

Water Watcher

JUNE 2024

Featured Speakers for June...

Where Outdoor Living Comes to Life

With more than 4,000 employees and over 350 locations worldwide, POOLCORP leads the pack as the world's largest wholesale distributor of swimming pool supplies, equipment and related leisure products.

Eric Yocum, SPP; and Jordon Reynolds, SCP; will be our guest speakers.

They will discuss Pool360 and the app service which is similar to the Skimmer app. They will also bring samples of the new Xtreme tabs, that kills bacteria, controls algae, acts as a clarifier, and prevents staining and scale.

Dinner will be provided.

Santa Summer Getaway

Come join us September 13-15, in Sly Park. Whether you are a first timer, or a return camper, all are welcome. It's a great time to relax and unwind with your fellow chapter members and supporters. If you can't stay for the whole weekend, then come up for the day, pitch some horseshoes, play cornhole, tie-dye a shirt, go for a boat ride, eat some food, and hang out by the campfire.

Sick Route

We have one member out.

Thank you for your support

At the April meeting, the members voted to suspend Sick Route coverage until our chapter meeting in June. At that time we will determine if we continue with Sick Route as is, modify it, or abolish it. The suspension is only for new claims, and does not impact the current coverage.

Sick Route Policy Proposed Changes

At the April meeting, the sick route coverage was suspended until June. A survey was emailed to all members, and the majority of the responding members wanted to keep sick route coverage, but with changes. The survey also requested members participate in a sick route change committee. Those members were contacted, a meeting was held, and these are the significant proposed changes.

1. Sick route coverage will be limited to eight weeks.
2. All pools will be serviced as Chemical, basket, and sweep.
3. Maximum 3 pools assigned per member.
4. Members will only be assigned pools in zip codes that they currently service.
5. Members will not have pools covered in zip codes that were not included on their Summary Card (CVI 1B)
6. Members with employees will not be required to cover pools, and their pools will not be covered by sick route.

These proposed changes will be discussed at the June chapter meeting.
